

COMMUNICATE ON THE PHONE AGAIN.

Relay SD is a no-cost public service for people who have a hearing loss or speech disability to communicate with standard telephone users.

Calls can be made 24 hours a day, 365 days a year with no restrictions on the number, length, or type of calls.

Relay SD also offers specialized equipment. To see if you qualify call the number below or visit our website to learn more about TED, our Telecommunications Equipment Distribution program.

Relay Conference Captioning (RCC)

This service allows individuals with hearing loss or speech disabilities to participate in remote meetings, video conferences and multi-party conference calls via live captions.

Speech to Speech Services

Individuals with a speech disability can make STS calls with confidence. A specially trained communications assistant (CA) listens to a call and revoices as needed for clarity.
